Meet Bill

As a Wedding Officiant and experienced public speaker, I look forward to making your wedding ceremony a fun, joyous and memorable experience for all involved. I have had a lifelong passion of working with and serving people. I am an outgoing people person with a sense of humour, yet I have a serious side too. Musician: Rob Dice Vocalist & Guitarist

Music helps us define the moments in life that really matter. Your wedding ceremony will be touched by live music as guests are being seated, entrances of the wedding party, the bride, signing of the register, and the recessional. Following the ceremony, live music will flow as family and guests celebrate your union.

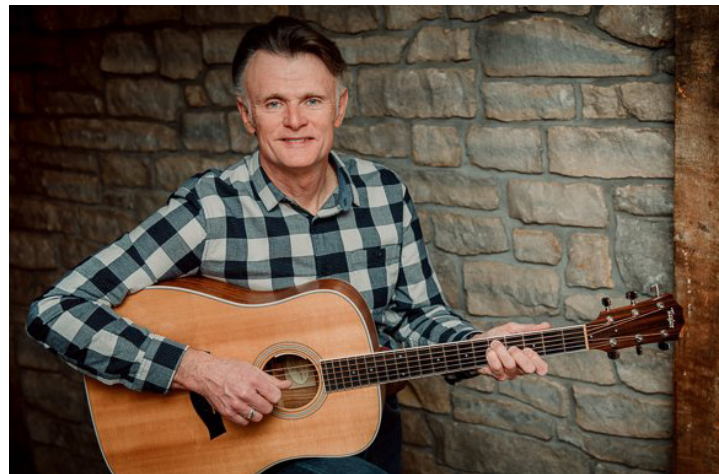

Meet Rob

For as long as he can remember, music has been a force in Rob’s life. After many years of touring and playing across the country, Rob loves bringing his music to couples on their wedding day. Whatever the style of music, whatever the tastes of couples, live music is a perfect accompaniment to your wedding day.

Meet Chantel

With 10 years of experience in the wedding Industry, I have captured everything from large scale weddings to intimate elopements. Some of my most favourite weddings have been throughout the 2020 season! I love to serve others, and capturing photos on one of the happiest days in a couples love story brings me so much joy! When I'm not photography weddings, you can find me spending time outdoors, with my friends, or with my husband and our sweet golden retriever on our farm outside of Guelph.

Florist: Theresa Brouwer

My goal is to help bring the beauty of fresh seasonal flowers to your perfect day. You will receive flower bouquets and/or boutonnieres for the couple, and either a flower bouquet or boutonniere for maid of honor and best-man. Each arrangement will be elegant, classy and can be customized to match your wedding colours.

Meet Theresa

I am a mother of five, and I have been happily married for 26 years. I have always loved creating and have recently tried my hand at fresh flowers - weddings in particular - since my sons wedding this past August 2020. I'm always busy over the Christmas season making urns and decor. I have been a housecleaner for 26 years but much prefer to do flowers and hope to do it full time one day! When it doesn't feel like work, it's what I'd like to do!
